THE NORTH CHIMES

Learning to live the love of Christ

Our soul is like a stream of water, which gives strength, direction, and harmony to every other area of our life. When that stream is as it should be, we are constantly refreshed and exuberant in all we do, because our soul itself is then profusely rooted in the vastness of God and his kingdom, including nature; and all else within us in enlivened and directed by that stream. Therefore we are in harmony with God, really, and the rest of human nature and nature at large.

- Dallas Willard, *The Renovation of the Spirit*

"Is anything worth more than your soul?"

asked Jesus (Matt. 16:26 NLT). It's important to care for our souls. This morning's message will explore what the soul needs to be cared for. You can listen to last Sunday's message on our website. Printed copies are available in the Narthex.

ANTHEM *Shall We Gather at the River* (Robert Lowery)

*Shall we gather at the river, where bright angel feet have trod,
with its crystal tide forever flowing by the throne of God?*

Refrain: *Yes, we'll gather at the river, the beautiful, the beautiful river,
gather with the saints at the river that glows by the throne of God.*

*On the margin of the river, washing up its silver spray,
we will walk and worship ever, all the happy golden day. R*
